

## Muskego Waterbugs 2026 July 3rd Independence Day Celebration

Hello,

The Muskego Waterbugs are proud to present our July 3rd Independence Day Celebration for the 30th year! This event and fireworks display is organized, operated, and funded by the Muskego Waterbugs for our most historic year.

We would not be able to put this event together without our great community partners and invite you to be a part of the fun! Each year, we try to provide an event of top quality family fun, food, entertainment, and fireworks to the Muskego community. This year's event will be held at **Idle Isle Park; W182S6666 Hardtke Dr. Muskego, WI 53150**. Located on Little Muskego Lake, this island comes alive every July 3rd with food, entertainment, family fun, and a great ski show put on by the Waterbugs. This year's event will be open to the public on **Friday, July 3rd 2026 from 2pm-10pm**. Our day concludes with a great fireworks display conducted right on the water with some of our community partners!

This year, we will be highlighting our community vendors through live music, vendor markets, and kids activities.

If you are interested in participating in the festival, complete & return your application and space rental fee. The Muskego Waterbugs are a 501c.3 nonprofit organization providing free ski shows throughout the summer to the Muskego community. This event is our largest fundraiser of the year to continue our program and we appreciate your support!
